While the GWA computation may be regarded as a basis for determining the student's scholastic standing, only the Curriculum Weighted Average (CWA), which is based on the student's degree program's curriculum, may be regarded as a basis for graduation. For an accurate computation of the CWA, the student should consult with the Student Records Evaluator (SRE) of his/her home college.

PH	Philippine Studies	Some of the RGEF subjects taken may not necessarily be creditable to the student's curriculum. To determine which of the RGEF subjects are creditable, the student should consult with the Student Records Evaluator (SRE) of his/her home college.

**NOTICE**

This module should not be used in place of the **True Copy of Grades** or any other official documents pertaining to the student's academic performance nor should it be regarded as an authoritative guide on the student's curriculum.

The True Copy of Grades may be secured from the student's home college while other official documents on grades may also be secured from the Office of the University Registrar (OUR).

For RGEF Subjects that fall into more than one domain (AH, MST, SSP), the student may choose which domain the subject taken will be credited to.
